SCOUT DEPARTURES FROM CAMP WAKPOMINEE

The normal and expected pattern of arrival and departure at Camp Wakpominee for Scout campers is: Campers arrive on Sunday afternoon with their Scoutmaster and/or parents, They spend the entire week at camp and depart with their Scoutmaster and/or parents. Any variation from this pattern needs to be recorded and verified.

During the normal process, the Scoutmaster or Troop Camp Leader is responsible to "check-in" all members of the Troop upon arrival at camp and to "check-out" all members of the Troop at time of departure.

Occasionally it becomes necessary for a leader or camper to arrive late, leave camp temporarily, or depart early. In each case, the individual is required to check-in or check-out personally, with the camp office staff. When leaving camp property they are required to indicate: the purpose of their trip or cause of their early departure, their means of transportation and name of their driver. If the departing individual is under the age of 18, they must also indicate: the name and relationship of the responsible adult (over the age of 21) they are leaving with. The responsible adult is to sign the "sign-out" form accepting responsibility for the youth.

No camper will be permitted to depart from camp without the approval of their custodial parent or guardian. This approval is expected to be provided in advance, in writing. The camp reserves the right to confirm any and all departures of campers.

The Twin Rivers Council will honor and enforce, to the best of its ability, and to the extent that it has actual knowledge of any court order, any court orders restricting child custody, when a copy of court ordered custody limitations has been provided to the council and/or camp. Non-documented requests will be shared with non-custodial parents, but will not be enforced.

In the event and individual attempts to violate the provisions of a custodial order or similar court, Twin Rivers Council will inform appropriate law enforcement officials.

CUSTODIAL PERMISSION TO LEAVE CAMP FORM

National BSA Camp policy requires permission of the parent or legal guardian for the scout to leave camp for other than camp activities and/or program. The Scoutmaster is responsible for obtaining permission and signing youth in and out of camp at the Administration office. the permission slip must be given to the Camp Director or the Officer of the Day prior to the youth leaving camp and must include appropriate signatures and list the person responsible for the youth while he is not at camp. This permission slip must also include dates and time youth will not be in camp.

(Please make copies of the permission slip and have available for parental use.)
